### MARCH 2023 NEWSLETTER

A couple of grant applications have been submitted for consideration and several digitizing projects at the museum are in the works. – watch for updates.

On the weekend we got a sneak preview of one of the projects digitization the museum interior including the upstairs rooms. A few tweaks are required but will be finalized shortly. This project was made possible by CEDF – Look North providing a grant made available by Prairies Canada's TRF Funding and worked with K&M Consulting, Flin Flon to provide the museum this opportunity. Wait until you see the museum in 3D or take a visual tour on the big screen.
