SEPTEMBER/OCTOBER, 2021 NEWSLETTER

The Sea Can has a new coat of paint thanks to the three students, Madison Streamer, Alyssa Leslie and Sydney Wesner, who were hired pursuant to the Community Futures Greenstone grant received. As the sea can painting did not take as long as we had anticipated, the girls used up their hours with many other projects that needed painting around the museum. Great job girls. Without grants such as Community Futures Greenstone these projects would take a lot longer. Next project may be the bar from the old Radar Base. This would be a great addition to the Artisan Market venue to be used by food vendors etc.

Thanks to all the volunteers who helped over the summer:

Cleaning & washing down the sea can prior to painting – Dennis & Dianne Holman, Bill & Sandra Buchberger, & Rene Grenier

Sanding , grinding areas, & spraying undercoating on rough spots - Rene

Cutting grass & moving tables away from sea can – Rene & Richard

Picking up the donated shelving from Jane's Crafts & Hobbies in The Pas and unloading at the museum – Hugh Keller, Bill & Sandra Buchberger, Leon & Brenda Gryba

Hauling garbage out of museum – Amy & John Hawley & Mabel Brewer and to Al on the garbage truck for making a special stop

Scaffolding loans – Frontier Collegiate & Rene Grenier

Loan of Extension & step ladders – Rene Grenier & Mike Wesner

Loan of extension cords, sanders, grinders, painting equipment, etc. Bill Buchberger & Patty Klimchuk

Green Team, Alyssa Leslie, Ray James and Ronnie Guiboche on loan from the LUD for an afternoon and to Sid Mac, their supervisor, for dropping them off. They assisted with moving items, reorganizing, general clean up etc. Was a pleasure working with these young people & they were more than willing to help us with anything we asked them to do.

It was exciting to have the Museum highlighted on Winnipeg, CTV Morning Live with Rachel Lagace on July 27th from 6 a.m to 9 a.m. via Skype. If you missed the segment you can access the link on the Museum facebook page.

The museum has now been winterized and we will continue to meet over the next few months to prepare for 2022. Hopefully the museum will be reopened next spring. Anyone interested in volunteering to help out with suggestions or work projects in any way please let one of the directors know. This is your Museum and we need your help.
